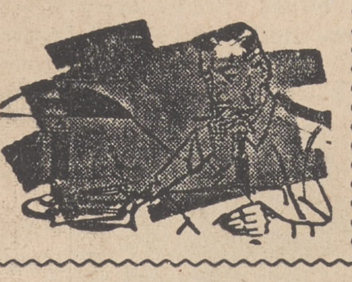
The DIMMER VIEW



by Max Goodwin

Inconsistency is Consistent

Incongruities in today's reasoning were spotlighted recently by Charles L. Gould, publisher of the San Francisco EXAMINER and reported in Copley Newspaper SEMINAR, a publication for neswmen, edited by Lyle Erb.

Gould, referring to the inconsistent characteristic of "the leftists," the professional liberals and the self-proclaimed intellectuals who are the most most outspoken critics of our nation and our way of life" nailed them good in his SEMINAR piece.

Said Gould: "Frequently there is a perverse brand of warped reasoning that runs like a red thread through the mental processes of many of these individuals. They can be consistently inconsistent. For example:

"Many who fought to ban prayers from schools now fight to permit gutter language in classrooms.

"Many who campaign to outlaw cigarettes also campaign to legalize marijuana.

"Many who would banish ROTC now advocate guerilla and revolutionary classes in our colleges.

"Many who champion the sanctity of nature's laws also champion birth control and abortions.

"Many who condemn forced segregation also applaud forced integration.

"Many who deplore our involvement in Vietnam also condemned our failure to get involved in Biafra.

"Yes," he added, "many who would destroy our Constitution also demand its protection."

You Can Do It if You're President

President Nixon has exercised three presidential prerogatives in recent weeks.

In one action he let it be known that his personal preference for the locale of the GOP convention is San Diego.

In another, he obtained from the military a release of more than 3,000 acres of land at Camp Pendleton for use as public parks

The third action is a trip. This one is to Red China. The trip is not a huge one in the overall picture of travel but it may change the balance of world power.

President Nixon is an active one.

He getting pages of space in the world press and hours of prime time via television and radio to prove the importance of the journey.

These newsworthy projects are fine — to a point!

But what about the "guts" problems?

While Nixon encouraged the GOP leadership to plan the 1972 convention in San Diego under the persuasiveness of more than a million dollars of San Diego money, local taxpayers are on verge of revolt. Convention proponents refer to the "new money" the convention will bring. The attendant publicity, they say, is "worth millions."

No local property tax money will go into the convention inducement but it is hard to accept an expenditure of that much money for a political convention no matter whose money it is.

Since the convention will be at the International Sports Arena on which considerable amounts of public funds have already been spent, more public funds will be use to provide additional housing for convention functionaries.

The logical thinking citizen may ask why it makes sense to spend money for a week's convention and the publicity it brings, after freshly having turned down the San Diego Rockets owners whose basketball team was bringing a pretty good wad of publicity to the community with a team that was growing in popularity.

In the matter of Camp Pendleton from whose vast holdings five miles of beach property was given to the people of San Diego for a park, the action was widely applauded.

The transfer is a "people's thing" and few will deny that the people need more consideration. If the government is to serve the people better, wouldn't strong guidelines against the forces of inflation be more effective?

Let Mr. Nixon spend a day in any food market or department store. He would get the feel of the people a lot sooner. What purpose does additional parks serve if the people to whom they belong cannot meet the cost of the necessities of life?

So far, the administration has not given any type of leadership to keeping down the cost of living — not even a slap on the wrist to the business firms and the unions who are guilty.

The trip Mr. Nixon plans to take to China would be just as effective if it had been announced step-by-step instead of being dramatically dropped on the world like the bomb at Hiroshima. Naturally, those who demand "peace at any price" are joyous. But then there are others, who worry about the mental depression that will come to the populace if China rebuffs the President. It could happen you know!

Except for the presidential privileges, the trip might not come off. Available to the president but not the common herd is the telegram. Western Union is on strike and the nationwide telephone strike last week followed suit. In many areas, postal employees are on strike. Mr. Nixon can communicate but the average guy is finding it difficult.

Railroads are shutting down and some airlines are struck Longshoremen at west coast docks are out. Average citizen would find travel becoming more difficult.

We should not fault Mr. Nixon on the things he is doing But someone ought to remind him that there are other very important people in the world besides Chou En-lai, Mao Tse tung, Nguyen Van Thieu, Nguyen Cao Key or Chiang Kai-shek.

Who are these More Important People? Us!

We are the people and we have many problems. The administration should come to grips with that fact and realize that the problems of the American people are very real and revolutionary in nature and shouldn't be swept under the carpet.

Local Student Named To College Dean's List

Ellis Winter, son of Mr. and Mrs. Ernest Winter, of 3896 Capitol st., Lemon Grove was one of 131 students named to the Dean's List at Concordia Teachers College, River Forest, Illinois, for the 1971 spring quarter.

To be eligible for the Dean's List, an undergraduate student must achieve a minimum 3.625 of a possible 4.0 grade point average with a course load of at least 12 quarter hours. Appointment to the Dean's list is an academic honor appearing on the permanent student record.

Concordia Teachers College trains professional personnel for the over 1400 elementary and secondary schools of The Lutheran Church—Missouri Synod in the United States and Canada.

KIKUNO KATO examines banners from Rotary clubs from all over the world as she visits the Lemon Grove Rotary club, which is her host. With her is Dr. Griffith Clark, club president.

Student From Toyota 'Adopted' Here

The Lemon Grove Rotary club has "adopted" the daughter of a Toyota surgeon. The surgeon is a Rotarian in Japan. His daughter, 20-year old Kikuno Kato, is here as part of Rotary International's Extrators.

The program, as the name indicates, exchanged bright, young people with those of a different country to foster goodwill and international understanding.

Kikuno is the guest of the family of Dr. Griffith Clark, a Lemon Grove veterinarian, who is president of the Lemon Grove Rotary club. She was honored guest Monday at the club's regular meeting. She will be guest of the Clarks and other Rotarians for two months at which time she will return to her studies as a sophomore at the Women's University of Tokyo where she is majoring in English Literature.

During her visit here she will be hosted by various local Rotary families. She has expressd a desire to see a professional football game and an American desert. Of course, Disneyland is part of her program.

"This is her first week," Dr. Clark said, "but she is adapting rapidly to American ways. She's a fine young lady."

Her father's name is Dr. Ken Kato and her mother is a medical secretary.

LM-SV Board OK's Publication Budget

Trustees of the La Mesa-Spring Valley School District met Monday night and approved a $13.77 million publication budget.

The budget marks an increase of about $700,000 over last year's expenditures. Tax rates in the district, however, are expected to drop this year, resulting from a large beginning balance and increased assessed valuation.

The large beginning balance thi year is due to savings from last year's budget, a spokesman for the district said. The beginning balance of $400,000, along with expected re-assessment increases of about $100,000, will result in about a 15 cent tax reduction.

Last year, property owners in the district paid $4.075 per $100 assessed valuation. This year's rate is expected to be about $3.925. The tax rate reflects operating expenditures as well as non-operational costs such as interest on bonds.

The budget passed Monday night has no money budgeted specifically for increases in teacher and classified employee salaries. At the meeting, trustees indicated they would consider a 3.9% cost-of-living increase for teachers.

Increases in salaries will be paid for with reserve funds, of which there are $1.69 million budgeted. From the reserve funds, the tax decrease will come, as will pay hikes, leaving an anticipated $900,000 beginnig balance for next year.

Representatives of the classified employees and teachers will meet with administrative representatives between now and the next meeting of the board, August 3, with recommendations expected on salary increases.

No across-the-board increases for classified employees are expected for this year, although more money is expected to be spent for re-classifications and individual raises.

Peace Officers Reject Strikes

Leading California law enforcement administrators have adopted a Resolution opposing any strike or work stoppage by California law enforcement officers. The action was taken at the Executive Committee meeting of the California Peace Officers' Association held this week at the Kona Kai Club in San Diego.

The Peace Officers' Association, through its Executive Board, stated in the Resolution ". . . that this Association expresses its opposition to any strike, work stoppage or any other act that ends to reduce service to the public by law enforcement officers that we consider it devisive, inimical to the interests of the citizens we have taken an oath to protect, and contravenes the spirit and letter of the Code of Ethics" of the law enforcement profession.

The meeting, which was hosted by Sheriff John F. Duffy, a vice president of the Association, also heard from Attorney General Evelle Younger on his plans and proposals to expand the supportive services of the Office of Attorney General in the area of specialized law enforcement training and the coordination of some investigative activities.

LG Fire Report

The Lemon Grove Fire Dept., for the week of July 12-19, made ten fire calls and two rescue runs.

Most of the fire calls were to grass fires with no damage reported. However, on July 16 firemen went to the 3200 block of School lane, where a car belonging to Margo Fuller was extensively damaged after gasoline had flooded onto the engine.

On July 17 firemen responded to a call to 2765 Bonita st., where a small child had set fire to a bedroom, causing about $350 damage to the room and contents.

Grossmont District Gives OK to Teacher Pay Hikes

In action last week, the Governing Board of the Grossmont Union High School District established a 4.272 percent cost-of-living raise for teachers and approved several improvements in fringe benefits for the group, then moved to bring salaries and benefits for non-teaching personnel to the same level.

The decision, which came after seven hours of deliberation with the negotiating committee of the Certificated Employee's Council, was lower than the CEC request for a six percent cost-of-living increase plus fringe benefits to bring the total package to an estimated nine percent increase.

Added benefits for teachers include a $10,000 life insurance policy, a totally district-paid dental plan, and pregnancy benefits for female employees.

In other action, the Board elected to remain with the present expenditure level of $37 per student and referred a proposed "B" Budget (additions or changes in operations) along with a recommendation for two in-service training personnel back to the District Administration for further study.

All actions were consistent with the Board's expressed intention, stated by President Ken Overstreet, to provide the highest possible quality education while remaining within currently available funding.

In other action, the board increased the ceiling on the number of teachers who could receive additional pay for outstanding leadership from seven percent to 10 percent; established parity in summer session pay rates by placing teachers and counselors on a common basis; provided that five years teaching summer sessions (four hours per day) would equal one year regular time towards advancement on the salary schedule; and clarified the procedures for requesting sabbatical leave and provided that a teacher may elect one semester of sabbatical leave at full pay rather than one year at half pay following seven years of service.

The next Governing Board meeting will be at 7:30 p.m., Monday in the Board Room of the District Administration Building, Murray dr. at Interstate 80.

Stenbeck Takes Post As Crusade Chairman

John Stenbeck, president of the real estate firm of Severin, Garzenelli & Stenbeck, has been appointed community chairman of the 1971 Lemon Grove United Crusade.

The appointment was announced jointly by Glenn Murdock, East County Chairman and his vice-chairman, Albert C. Marshall.

Murdock retired earlier this year as superintendent of the La Mesa-Spring Valley School District. Marshall is chief of purchasing for the Grossmont Union High School District.

Stenbeck will face a goal of $9,000 which is 15 per cent higher than last years total. "It pretty much depends on who takes on the jobs of division chairmen," he said. "If they work astutely we'll make it."

Yet to be named are persons to represent the business, professions, individuals, advance gifts, and public service divisions.

Stenbeck recently retired from the Navy after 20 years of service. He is a native of Illinois and now lives at 8223 Roy St., Lemon Grove. He is Christian Youth Counselor for St. John of the Cross Catholic church and a member of the L. G. Rotary club. He participates in the Old Time Days Parade as a clown.

The Crusade gets underway October 1 but pilot calls will be made by Stenbeck and his chairman of the various clasisifications starting in August. He urges those who want to take part in the drive to contact him at 461-1600.

Retirement Dinner Due Tomorrow

A retirement dinner for Paul Haider will be given tomorrow evening at the Chief Petty Officer's Club at the San Diego Naval Station at 6:30 p.m.

Haider, 55, of 7216 Pearson st., Lemon Grove, retired as of July 1 after 13 years of service with the Department of Motor Vehicles.

Haider, who retired from the Navy as a Lieutenant Junior Grade, first worked for the DMV in its Ingelwood and Escondido offices. He worked at the La Mesa office for six years before being transferred to the Chula Vista office, where he has worked for the past five years.

Haider

Haider, who moved to Lemon Grove in 1952, retired because of health reasons. He said he hopes to do some traveling, with doctor's permission, some time around the end of August. He is married and the father of four children.

Supervisors OK Lease For Park

Another step toward starting construction on the proposed Spring Valley park on Jamacha blvd. near Sweetwater rd. was taken Tuesday when the County Board of Supervisors approved a lease agreement between the Spring Valley Park and Recreation District and the now defunct Spring Valley Sanitation District.

The lease agreement is for four acres on land owned but not in use by the Sanitation District, and calls for payments of $1,000 per year, per acre, and includes an option to purchase the entire parcel of over 11 acres.

Herb Ketell, chairman of the Park and Recreation District's park committee, last week discussed the contract with the supervisors and ironed out details.

The main part of the lease agreement which was in question was that of maintenance. The agreement calls for maintenance to be provided by the Park and Recreation District, but the county must pay for maintenance if the district does not have the funds to do so.

That portion of the agreement was brought about to ensure that the park would be permanent.

The Park and Recreation District has enough funds at the present time to pay for maintenance at lease for a few years. If the area is built up as fast as is expected, the

Scheidle Tells County Depts. Spending Must Be Justified

The supervisor of this district, Harry Scheidle, had some difinitive thoughts recently on the "state of the budget".

Pressed by taxpayers for relief and pressured by county departments for money, Scheidle felt impelled to express his thoughts to both county employees and residents.

In one of the most succinct statements coming from a lawmaker in recent times, Scheidle said to members of the press:

"This Board has been hearing and seeing and reading a lot of moaning and groaning about what budget cuts will do to County services. A number of officials have rushed to the media with very sad stories. Well, I have three things to say about that:

"1. Even though I hate to hear a grown man cry, I sympathize with these officials. This Board is perfectly aware that it is cutting out reasonable and needed services. These people have a duty to provide those services, so they are yelling.

"2. This Board also has sympathy for, and a duty toward, the people who pay the bill — the property taxpayers. They have had it up to here with all kinds of taxes. Our Board has **real control** over less than a dime out of each property tax dollar, but we're going to pinch that dime until it hurts. The County is **responsible** for less than three dimes out of the total property tax dollar. The rest goes to schools, cities, and special districts. Two of those County dimes are mainly mandated by State and federal rules — the State Constitution, the State Budget, Federal Welfare rules, and a whole string of court decisions. But, we're pinching those two dimes every place we can find an opening.

"3. I think it's time to cut out the caterwauling and play the cards face up on the table. On July 26, this Board will hear from anyone who wants some of these budget cuts put back in. That means, very simply, we'll be hearing from people who want the property tax rate raised. Let them say so. Let them say how much of a tax raise they are prepared to justify to support the services they say they need.

This Board will be listening closely. It's our job to make sure that this budget will run effectively and deliver the goods. No matter who screams, I think I can guarantee we won't be buying a radio, a heater, or any fancy hubcaps. This year the budget will be the compact economy model."

Church To Host Group Tomorrow

Tomorrow evening the Lemon Grove Christian Church will host the Come Alive Singers from Cincinnati, Ohio. There are twenty-one singers in the group, which last year sang before three million people.

The young people are students in Cincinnati Bible Seminary and were chosen for this group by audition. This school is the alma mater of both Dr. and Mrs. J. T. Chase, minister of the local church.

The concert will begin at 7:30 p.m.

The Come Alive Singers recently sang at the North American Christian Convention in Dallas, Texas where more than 46,000 persons were registered.

The second special event is Dr. Chase's second annual Wedding Ring Service Sunday night at 6:55 p.m. For many years Dr. Chase conducted the service annually before coming to the church in Lemon Grove.

The service features traditional wedding music, candles and a ceremony designed to strengthen marriage ties. The church is located at 6970 San Miguel ave. in Lemon Grove.

Driving Restricted

SAN DIEGO (CNA) — A Spring Valley man who pleaded "no contest" to a charge of drunk driving, with injury, has been placed on two years' probation, fined $625 and ordered to drive only between his home and work for the next six months.

Donald Raymond Collins 35, 8928 Rover st., Spring Valley, appeared Wednesday in Superior Court before Judge Roger S. Ruffin as the result of an accident on Wabash blvd. on March 29. Police records show that he ran into a motorcycle which had stopped for a red light.

Collins, a Navy chief petty officer, pleaded "no contest" on June 22. His probation report quoted him as saying he had had a few beers at the NCO club to celebrate passing his advancement test. He spent four days in the county jail after his arrest and then was released on his own recognizance.

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

Self-identification is an important concept in any language and especially so in Spanish. The pronoun "yo" (I) is basic to self-identification. It is with this term that we identify ourselves as individuals and convey our vocation or character. We may do this in expressions like "Yo soy secretaria" (I am a secretary), "Yo soy mechanico" (I am a mechanic) and "Yo soy alumno." (I am a student).

We refer to or identify others in two distinct ways. When speaking directly to a person we may address them as "tu" (you) or "usted" (you). The two forms, "tu" and "usted," are equivalent to "you" in English but are used under different circumstances.

"Tu" is used to identify "you" when addressing loved ones and close friends. Thus we might say "Tu eres mi amigo" (You are my friend), "Tu eres mi amor" (You are my love), or "Tu eres mi hermano" (You are my brother).

"Usted" identifies "you" for persons unknown to us such as when we are addressing persons outside our circle of close friends and loved ones. It is particularly important to address persons in day-to-day business transactions with "usted" to indicate respect or high regard in a formal sense. Examples of this are seen in expression like "Usted es un mecanico" (You are a mechanic) or "Usted es mujer de casa" (You are a housewife).

"El (he) and "ella" (she) are used when we talk about another person and not directly to them. Thus we may say "El es mi hermano" (He is my brother) and "Ella es mi amiga." (She is my friend).

Try saying the practice phrases listed below. They are easy to learn and will enrich your Spanish conversational ability. A recorded voice will say the same phrases for you and guides you in the pronouncing of them when you dial 276-2762 on your telephone.

Cariculm has been scheduled for church school teachers over the county, with a meeting to be held July 28, from 7 to 10 p.m., in North Minister Presbyterian Church, 4324 Clairemont Mesa, San Diego. Mrs. James Kitchen and Mrs. James McClure of Trinity, are participating in leadership of orientation.

La Mesa In Tie For Lead

The La Mesa Collegians, who led the California Collegiate League since early in the season were caught last week.

The standings now show La Mesa tied with National City for the league lead, with 12-6 records, a game and a half ahead of third place Downey at 11-8.

La Mesa's Tom Zechlin moved up a notch in the batting race and is now second with a .429 average. Marvin Thompson, of Downey, is the pacesetter, hitting at a .455 clip.

In the pitching department, La Mesa's Larry Luxenberg continues to lead the league with a 1.08 earned run average and a 3-1 record.

Our Men In The Armed Forces

Harold Stone

Navy Chief Petty Officer Harold D. Stone, son of Mr. and Mrs. Harold D. Stone of 3553 Corona st. Lemon Grove, is serving with Fighter Squadron 51 at the Naval Air Station, Miramar, Calif.

The squadron recently completed training in the Pacific aboard the attack aircraft carrier USS Constellation.

Ray Santos

Airman Ray V. Santos, son of Mrs. Senorina U. Santos, 10736 Eureka rd., Spring Valley, has graduated at Sheppard AFB, Tex., from the U.S. Air Force aircraft mechanic course.

The airman, who learned to maintain and service turboprop aircraft, is being assigned to Pope AFB, N.C., for duty with a unit of the Tactical Air Command which provides combat units for air support of U. S. ground forces.

Airman Santos attended Monte Vista High School and Grossmont Junior College.

David Lambert

Army Private First Class David A. Lambert, 20, son of Mr. and Mrs. Arthur A. Lambert, 3242 San Carlos dr., Spring Valley, assisted in the San Antonio Public Health Department's "Booster Week," which ended June 30.

The department, in an attempt to head off a repeat of last year's Diphtheria epidemic, requested personnel to augment nine clinics throughout the metropolitan area.

Men of the Army's 47th Field Hospital from nearby Ft. Houston were selected for the task of helping give shots.

Pfc. Lambert is a medical aidman at the hospital.

William Funke

Midshipman William H. Funke, son of Mr. and Mrs. William G. Funke of 10717 Prince lane, Casa de Oro, is now undergoing two-weeks of summer aviation indoctrination at the Naval Air Station, Pensacola, Fla.

The course is designed to familiarize Midshipmen with Naval Aviation training and opportunities, including flights in training aircraft.

He is a student from the U. S. Naval Academy at Annapolis, Md.

A chance to get away from the jungles or the routine of an office job is always a pleasant diversion for soldiers in Vietnam.

For Specialist Juan I. Ramirez of Spring Valley and others who enjoy religious activities, a new religious retreat program has provided an opportunity to get away from the job for a few days of worship and fellowship.

Juan Ramirez

The United States Army Vietnam Religious Retreat Center, dedicated this year, is located along the beautiful sand beaches of Cam Rahn Bay. Weekend and weekly retreats are provided for Catholic and Protestant denominations.

Participating in a recent retreat, Specialist Ramirez, who is a helicopter mechanic with the 159th Aviation Battalion of the 101st Airborne Division, found the program very rewarding. His parents, Mr. and Mrs. Ignacio Ramirez, reside at 460 Sacramento ave., in Spring Valley. Ramirez, who has been in Vietnam since December of 1970, spent his last tour of duty in Germany with the 36th Artillery Group.

The facility is equipped to handle up to 100 servicemen per retreat, with spacious barracks and messing facilities available. A summer camp atmosphere dominates the center. Buildings are different colors and named after biblical people.

Imperial Assets Top Quarter Billion Dollars

Assets of Imperial Savings and Loan Association of the South have topped a quarter of a billion dollars, it was anannounced last week.

The 10 office association is San Diego County's largest locally-based state chartered savings and loan, and includes an office in Lemon Grove.

Imperial Savings president Harry H. Holthusen said that as of June 24, the association had assets amounting to $251 million, a gain of $25 million since January 1.

Area Obituaries

Services Tonight For Lemon Grove Gardener

Services will be held tonight in the San Diego Holiness Church for Bob P. Fukuhima, 54, of 6791 Springfield st., San Diego, who died July 18 at Grossmont Hospital.

Fukushima, a native of Florin, California, lived in this area for 20 years, and was quite well known in Lemon Grove, where he worked as a self-employed gardener and landscaper.

He was a veteran of WWII, serving as a Private First Class with the United States Army. He was a member of the San Diego Garden Association, the Order of Foresters, and the San Diego Holiness Church.

Interment will be Friday morning in Mt. Hope Cemetery, with Conrad Lemon Grove Mortuary in charge of arrangements.

Fukushima is survived by his wife, Bessie; two daughters, Jeanne and Cathy, both of the home; four brothers, Tom Fukushima, of Sacramento, Clarence Fukushima, of Burbank, Fred Fukushima, of Lemon Grove, and Percy Fukushima, of Sacramento; and three sisters, Bernice Oki, of Yuba City, California, Phyliss Kozuma, and Clara Miura, both of Sacramento.

S. J. Hurwitz

Funreal services were planned for New York City for Samuel J. Hurwitz, 58, of 10402 Cona Rancho rd., Spring Valley, who died July 15 at University Hospital.

Hurwitz, who was a native of New York, moved to Spring Valley just six months ago. He was empoyed as a professor of history at San Diego State College, where he taught for three years.

Interment was also scheduled for New York City, with Featheringill College Center Chapel in charge of local arrangements. Survivors include his wife, Edith; son Arthur C. Hurwitz; and daughter Sheilah Hurwitz, both of San Diego.

D. D. Anderson

Funeral services were held last Friday morning at Skyline Wesleyan Church in Lemon Grove for Dennis D. Anderson, 29, of 1524 Walbollen st., Spring Valley, who died July 13 after a swimming accident at his home.

Anderson ,who lived here for 26 years, was pronounced dead at Grossmont Hospital. Burial was in Glen Abbey Memorial Park, with Conrad Lemon Grove Mortuary in charge of arrangements.

Anderson was employed as a sales manager for Keller Industries.

Survivors include his wife, Judy; two daughters, Toni L. Anderson, and Tamra Anderson; a son, William J. Anderson, all of the home; his mother, Mrs. Elayne Travis, of San Diego; two sisters, Mrs. Sandra Bradshaw, of San Jose, and Randi Travis, of Chula Vista; and his grandparents, Mr. and Mrs. Arthur W. Falk, of Chula Vista.

P. B. Anderson

Services were held Friday afternoon at Greenwood Mortuary for Mrs. Pansy B. Anderson, 83, of 7980 Imperial ave., Lemon Grove, who died July 13 at the Royal Home Convalescent Hospital.

'Kids Day' To Be Held September 11

The annual "Kids Day" of tne Spring Valley Kiwanis Club, is scheduled for Saturday, Sept. 11 at La Presa Junior High School. General chairman is Jim Parker, and all members of the club will be participating at various stations during the day. Hours will be noon to 4 p.m. "Kids Day" will be for youngsters kindergarten through 6th grade.

Jim Parker said at the July 14 meeting of the Kiwanis Club that much has been planned for "Kids Day." Many games are to be played; there will be movies; food; drinks and ice cream; prizes will be awarded; and there will be music for all. The place will be well supervised and there will be first aid and security, Parker said. "All-in-all, we plan a big day for the kids," he added.

At the July 14 meeting president-elect Warren Bellows made a report on the International Kiwanis meeting on June 27-30, held in San Francisco. He said one important item was the voting to raise the members' dues.

He was especially intrigued, he said, with the reports on the Key and Circle K Clubs and felt the future of Kiwanis work rests in the hands of these young people.

INDUSTRIAL ARTS — Students will learn to develop habits of orderly methods and procedures through the construction of useful projects made of wood, metal and plastic in a summer school class offered by Norman Haworth at Spring Valley Junior High School in the La Mesa-Spring Valley School District this summer.
The appreciation of well-designed articles and workmanship will be stressed throughout the course, as well as safe work habits. In photo, instructor Norman Haworth helps Carol Hughes, left, and Beck Bell with their projects.

Letters To The Editor

Dear Editor:

During the recent Grossmont High School and College board campaigns some accusations and counter-accusations were made about school personnel contributing funds to certain candidates. These contributions are certainly a reasonable thing to do if the intent is sincere goodwill.

One must stop and think about motives behind such activities. "Should teachers be involved in politics?" "Should teachers be concerned about who is elected to the school board or whether a tax override to support school passes?"

The above two questions are quoted from a flyer mailed out from San Diego State College regarding, "Teachers In Politics a workshop." This workshop, according to the flyer goes on to state: "The workshop for Teachers In Politics will emphasize ways that teachers can be more effective in local school district politics."

'BUZZ SESSIONS FOR YOU TO CHOOSE FROM:"

"1. Criteria for selection of a school board member candidate."

2. Effect of news media and media relations."

"3. Communication with the professional organization and its coalition" (Coalition, a combination or union esp. a temporary one.)

"4. How to build a coalition in the community."

"5. Setting up a political action fund"

"6. Precinct organization"

"7. Public relations during the election"

"8. How to set up a local political action group"

"9. How much does it cost to finance a local candidate for a political office?"

"10. How to build good working relations with the local PTA groups"

Now fellow community members this expands your knowledge a little more into local politics. You, the individual, can see that some planning and thought has taken place about campaigns.

But the question to be answered is why have a special workshop session if the knowledge gained is not to be put to use?

Sincerely,
Charles O. Barnett

Out of Town Girls Due At Old Globe

Four of the ushers at the Old Globe tonight will not be San Diegans. They will be four out-of city-teenage Horizon Club members who are participating in the San Diego County Council of Camp Fire Girls Horizon Club Summer Exchange.

Arriving in San Diego Monday, the girls spent the first two days of their three-week visit sight-seeing and getting settled in the Mission Beach apartment which they and their chaperone will occupy for the first week.

The four girls — Jody Sue Johnston, Wichita, Kansas; Nancy E. Kaminski, St. Anthony, Minnesota; Nancy Jean Lash, South Weymouth, Massachusetts, and Susan Schaefer, Saratoga, California — will receive orientation training at the Zoo this morning.

For the last two weeks, they will be assisting with the Zoo's summer education program. Participation in the Zoo program and ushering at the Old Globe are two of the Community Volunteer Service projects for San Diego Horizon Club members.

This weekend, the girls will be guests in homes of San Diego County Council Horizon Club members and their families.

Dent Warns of Billion Dollar Welfare Rise

Welfare legislation currently before the state Senate could cost California taxpayers more than $1 billion in added welfare costs, over and above current public welfare expenditures, Robert Dent said here.

Robert Dent, former County Supervisor, is chairman of the San Diego County Citizens' Committee for the Governor's Welfare Reform Program. Currently, welfare costs in the state total $T1,819,856,-200 for 2,194,020 recipients. With only 10% of the nation's population, California pays 16% of the total U. S. welfare costs, Dent said.

The San Diego County Citizens' Committee is seeking to contact every concerned citizen in San Diego County. The committee is asking citizens to write or phone their state assemblymen and senators asking them to back to governor's welfare program.

Six Grossmont District Students Sweep Museum Exhibit Awards

A Grossmont District high school student had his photo-mural named "Best Photograph from a High School Student," and five others had their works selected for display in the Museum of Science and Industry, Los Angeles, in an exhibition which opened July 14.

The top entry was by Steve Hallmark, who had a second print selected for display. Other students and their number of prints were seniors David Jennings, two; Jack Million, two, and Frank McGrath, one, and juniors Jim Gray and Norm Milstead with one each.

The students were from the photography classes of Charles Bray, and their works swept the show, with more prints accepted than any other high school, and with the only photo-murals accepted by the judges, who were members of the professional Photo Instructors Association. Entries came from California, Nevada, and Arizona.

The photos were 3' x 4' prints, which the students make by turning an enlarger on its side and projecting the image on a wall. Sheets of mural paper are stapled to a board on the wall, and the exposed paper is rolled loosely for development in special troughs the students constructed for the class.

"We were able to purchase the lumber and fiberglas material through the District's Innovative Fund, and the students helped to construct the developing troughs, which are like horse watering troughs," Bray said. They also purchased the mural paper through the Innovative Fund, which the Grossmont Union High School District provides for teachers with new ideas.

The developed prints are placed on pre-cut boards while still wet, and pressed onto glue. The over-hang is wrapped around the boards and stapled on the back.

The class entered only the mural-size prints in the show, but earlier this month won six of nine awards given at the Southern California Exposition with smaller prints.

"We were limited to 16" x 20" prints at Del Mar, which disappointed us, so we were pleased at the opportunity to enter the murals at Los Angeles," Bray said. He added that they consider photography an art, and therefore feel that prints should be large enough to be hung on a wall and enjoyed.

"If you can't sit on your couch and enjoy the print on the wall, if you are just going to stick it in a drawer, there is no need in making it," he added.

Bray involves his students in the decision-making process when evaluating prints, by encouraging class participation in the grading. Each Friday the class holds a critique session, in which each student is asked to submit an 8" x 10" print for consideration. The grade is decided one-third by the teacher, one-third by the student himself, and one-third by class vote.

"That way I can't take the class over. And the kids are pretty honest about it — if he thinks it is worth a C, he says it's only worth a C," Bray said.

The prints which are judged the best are reproduced as 16" x 20" prints, and those that hold up well at the larger size are then approved for murals, he said.

Currently, Bray's classes are at Granite Hills High School but his summer course has students from all district schools.

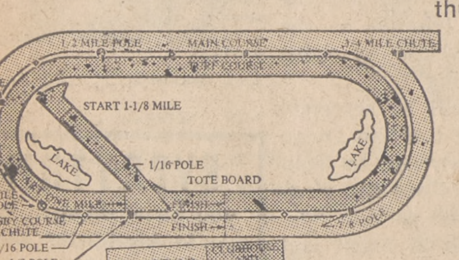
It's a bases-loaded home run.
The winning basket.
A 50-yard touchdown pass.
A hole-in-one!

It's Thoroughbreds at Del Mar!

You know the kind of excitement we're talking about. And if you've missed the only major sport in San Diego that can give you a whole day of thrills for just $1.75 and *nine* winners, you're missing a good bet.

Maybe it's because you think racing's too complicated. It's really as easy as 1, 2, 3. We just call it win, place and show. Pick a horse on your program. Because the paper says he'll win. Or the guy next to you gave you a hot tip. Or because the jockey's Willie Shoemaker. The reason's not important.

The horse you've chosen becomes YOUR horse for the race. And as he comes thundering down the track, you'll find yourself screaming and jumping up and down just like everybody else. And if he wins? Well, you can't imagine the thrill until it's actually happened to you!

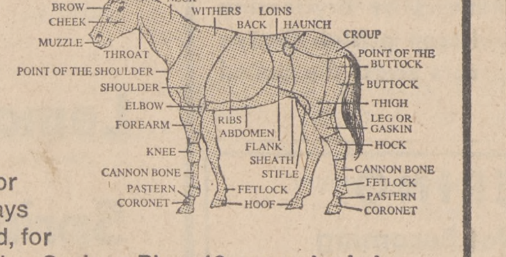


You can be a winner at Del Mar ...and never place a bet.

A lot of people just pick a horse on paper...and get just as excited if he wins. You can do that and still have a fabulous time...sitting in the beautifully redecorated grandstand...basking in the sun...sniffing some fresh sea air...watching a wild variety of people...or just seeing the aristocrats of horsedom go through their paces.

And that's just the beginning...

There's a lot more to Thoroughbred racing. Like the different stakes or handicap races. Or learning why each Thoroughbred has a lip tattoo and the same birthday. Once you've had a taste of Thoroughbred racing, you'll want to know everything about it... and the best way to do that is to keep coming back.



What's as exciting as Thoroughbreds at Del Mar? The admission price!

Just $1.75 for grandstand admission. (Senior citizens, 65 or over, $1.00 gen. adm., weekdays only.) What other sport can match that? And, for a real deal, ask about the General Admission Savings Plan. 10 general admissions for just $12.50—regularly $17.50. Write Del Mar Turf Club, Del Mar, California 92014, for information. Phone (714) 755-1141 or 297-4028.

There are 43 big racing days this season—July 28 through Sept. 15, Monday through Saturday. Post time: 2 p.m. Nine races every day—join us for a few. Odds are, you'll have the time of your life!

ALL ADAMS — Pam Adams, left, playing the part of Miss Jean Brodie, works on her part with her sister Mary Adams, as Mount Miguel drama instructor John Adams (no relation) coaches them. The three are presently working on one of three plays planned at Mount Miguel High School. Another Adams, Ted, who is not related to any of the other three, wrote another of the three plays, "Rock of Ages." The plays, scheduled to run July 26 to August 6, are "Rock of Ages," "The Prime of Miss Jean Brodie," and "Devil's Triangle."

S.V. Theatre Auditions Set

Spring Valley's newly formed theatre at 9062 Memory lane will hold auditions for Ginger Cody's adaption of "Snow White and the Seven Dwarfes" Sunday and Tuesday at 7:30 p.m.

Productions of "Snow White" are scheduled for August 27, September 3, and September 10, all at 8:30 p.m. and September 5 and 12, at 2 p.m.

Parts are available for eleven boys, three teenage girls, and six pre-teen dancers, according to Gladyce Levy, assistant executive producer.

Mrs. Levy added that the theatre still needs donations of time, money, and materials. For further information she may be reached at 463-9146.

Bank Shows Gain

United States National Bank reported first half net operating earnings, before securities transactions, of $1,553,417, or 94 cents a share.

These results by the San Diego-based institution compared with $1,102,926, or 67 cents per share after adjustment for stock dividends, in the like 1970 period, when there were no securities transactions.

Net income after $607,688 in securities gains in the first half of 1971 was $2,161,105, or $1.31 a share.

At June 30, 1971 vs. a year earlier, USNB showed gains of 20 percent to $651,887,759 from $534,534,095 in resources, 29 percent to $558,621,109 from $433,563,384 in deposits and 22 percent to $364,969,274 from $298,505,389 in loans.

Reunion Held Here

Mr. and Mrs. Kenneth Schnell, from Paradise, California, were in Lemon Grove last weekend for a family reunion at the home of Schell's mother, Mrs. Zoe Schnell, and sister, Mrs. Mildred Grimm.

Honored at the reunion was Kenneth, Jr., who is due to leave for a tour of duty in Vietnam at the end of the month.

Also on hand were Mrs. Pat Wilson, of Flagstaff, Arizona: Mrs. Boean Kilmer, of Lompoc, California; and Donna and Lee Schnell, from San Francisco.

Student Saves Possible Fire

Steve Adams, a college archeology student involved in digging operations at the Bancroft Ranch House in Spring Valley, helped save potential disaster for the garage of Mr. and Mrs. Henry Roberts, who live nearby.

Wednesday afternoon, a small brush fire, possibly started by children playing with matches, broke out in the back yard of the Roberts home. Adams, who saw the smoke, rushed over to the fire and put it out with a garden hose.

The blaze was put out before the fire department arrived.

Youngsters Sign Up For YMCA Camp

San Diego boys and girls, 8-14 years of age, are registering for a week of summer camp at YMCA Camp Marston.

Campers live in cabins with a YMCA-trained youth counselor. Together, the cabin group participates in swimming lessons, archery, nature study, craft projects, and the most popular of all, horseback rides. The daily activities are concluded each evening with the traditional campfire. Songs, skits, stories, and inspirational messages highlight the campfire program.

The YMCA camp has a fully-equipped dining hall where campers share their meals, family style, around a friendly table. The camp infirmary has a registered nurse on duty at all times.

Spring Semester Deadline Set August 31

The deadline for applying to San Diego State's Spring, 1972, semester is midnight, August 31, Robert E. Downen, admissions officer, said this week.

Downen said applications are available now in the Admissions Office. He said they could be obtained by personal visit or by phone or written request.

The deadline applies to both graduate and undergraduate programs Downen said. Students enrolled in San Diego State's fall, 1971, classes and those on leave need not apply.

Tramway Draws 7.3% More Riders In Year

The Palm Springs Aerial Tramway closed its fiscal year books with a 7.3 per cent increase in riders over the 1969-70 fiscal period, O. L. McKenney, general manager, reported.

A total of 16,008 more passengers took the exciting two-and-a-half mile round trip to the 8,500 foot level of Mt. San Jacinto in the 12-month period ending June 30 over the preceding fiscal year, McKenney said. The final audited fiscal year passenger total was 275,798 as compared with 259,790 for the preceding fiscal year.

Three Plays On Tap At Mt. Miguel High

A "triple header" is on tap for Mount Miguel High School drama fans, as three plays will be presented in the school's cafetorium in two weeks.

The plays, offered by the Mt. Miguel summer drama workshop, include "The Prime of Miss Jean Brodie," a play originally selected because there were mostly girls in the class; "Devil's Triangle," an original work by Lemon Grove's Mike Garcia, based on the writings of Edgar Allen Poe; and "Rock of Ages," an original musical production written by former Mt. Miguel student Ted Adams, a music major at San Diego State College.

Opening Monday night will be "Devil's Triangle," the story of a witch who casts three curses and is killed by a fourth. The production will also be staged Wednesday and Friday.

Next on the stage, playing Tuesday, Thursday, and Saturday evenings, will be "Rock of Ages," which was also arranged by Adams and was choreographed by Mount Miguel student Francyne Slagle. The production includes songs from the '50's and '60's as well as music from "Hair!" and the rock opera "Jesus Christ, Superstar."

The final production will be staged August 3, 4, 5, and 6. The story is about Miss Jean Brodie, a teacher in a girls' school who is unable to face reality.

Curtain time for each production will be 8 p.m., with admission prices set at $1 for adults and 50 cents for students.

Resuscitation Classes

A class in cardio Pulmonary Resuscitation will be offered to all Registered Nurses and Licensed Vocational Nurses on Wednesday evening from 7-10 p.m. It will be held in the Red Cross Auditorium at 3650 5th ave., San Diego.

The class will be taught by Carol Hagenhoff, a Red Cross nurse. She will represent their methods in cardiac massage and mouth to mouth resuscitation. Those interested in attending, are asked to call 291-2620 ext. 272 to register.

R. W. Cook Attends Orientation Program

Robert Wayne Cook, of Spring Valley, participated in the University of Arkansas' summer orientation program July 11-13.

The summer orientation program was inaugurated to give entering freshmen an opportunity to learn about the University and what it offers, before enrollment. They are also invited to pre-register.

While the students attend orientation, special meetings, social hours and tours are held for their parents, who also are guests of the UofA.

Young Matadors Due

Two brilliant young matadors never before seen in Tijuana help to headline the bullfight for next Sunday, along with daring Jaime Rangel.

They are the flashy Spaniard, Paco Pallares, and the fine young Mexican torero, Alexandro Otero.

Beginning at 4 p.m. in the beautiful bullring by the sea, Plaza Monumental de Tijuana, each matador will face two brave bulls from the excellent ranch, La Laguna.

Pallares, noted for his courage and art, is a crowd-pleaser who has made many popular appearances in Mexico City and other sectors of the Mexican interior. But he is new to the border.

Otero is one of the finest matadors to appear on the Mexican bullfight scene in many years. He took the alternative early this year after two seasons of outstanding bullfighting in Spain.

Michael Kregar Makes Claremont Dean's List

Michael Kreger, son of Mr. and Mrs. Robert T. Kreger, of 2127 Eldora st., Lemon Grove, was named to the Spring Semester Dean's List at Claremont Men's College.

Claremont Men's College, founded in 1946, is a liberal arts college which emphasizes public affairs and has a maximum eenrollment of 800 students.

It is one of the six Claremont Colleges, the oldest cluster in the United States. The group was organized in 1925 as an association of colleges "somewhat on the Oxford plan."

Spring Valley, Skygrove All Stars Fail In Tourney

Local Pony League teams had a hard time of it last week in the Area III all-star tournament at Skygrove Pony League's field.

In the opening game of the tournament, Skygrove took on La Mesa and came up with an 8-4 win on the strength of Mike Paine's pitching and Joe Martin's big bat.

Skygrove got things rolling in the top of the first inning as Martin led off with a home run. La Mesa evened things in the bottom of the frame on another home run, but Skygrove came back to take the lead again in the second with a run.

Four Errors Help

Skygrove opened things up in the top of the third inning with the help of four La Mesa errors and scored four runs. Martin led off with a single, and was moved along when Steve Purdue was safe on an error with one out. Jaime Lieras then bit a high bouncer to the left side of the infield, which the pitcher fielded and threw wild past first base. On the play, Martin and Purdue scored, and Lieras made it to second base.

Mike Paine then ripped a double to centerfield to drive in Lieras and took third base when the centerfielder fumbled the ball. Paine scored when there was an error on the throw from the outfield.

La Mesa Scores

La Mesa came back to collect three runs in the bottom of the fourth, but Skygrove kept the margin padded in the top of the sixth with a pair of tallies.

Steve Lukow provided all three of La Mesa's runs in the fourth when he blasted a circuit clout with two men aboard.

In the second game of the tournament, Spring Valley wrestled with a rugged Grossmont team, losing 3-2.

Solo Homers

Roland Canfield handled the pitching chores for Grossmont and was helped by solo homers in the third and sixth innings. Grossmont struck for first blood, collecting a run in the second inning, and adding another in the third frame.

Spring Valley hopes came alive in the bottom of the third when Al Salazar blasted a solo homer to bring the score to 2-1. Grossmont added another run in the sixth to make it 3-1, and Spring Valley scored in the bottom of the same frame to bring the final score to 3-2.

Strikes Out

Canfield struck out 12 batters for Grossmont.

The third game of the tourney saw Spring Valley bounce back to beat La Mesa, 6-4, on the strength of R. D. Peruchiti's pitching and Al Salazar's timely hitting.

Peruchiti struck out 13 enroute to the win, while Salazar hit a double and two singles and belted in the winning run.

La Mesa Takes Lead

Spring Valley had some trouble in the first three frames, and let La Mesa slip away to a 3-0 lead.

In the top of the fourth, however, Spring Valley bats came alive and struck for four runs. In the top of the fifth inning, Salazar hit a double to bring in the fifth run and scored himself moments later to make the score 6-3. La Mesa came back to score a run in the bottom of the fifth to make the final tally 6-4.

In the fourth game, it was Grossmont blasting Skygrove, 8-2, as Roland Canfield and Steve Lukow each collected a pair of home runs.

Grossmont struck in the top of the first inning for all the runs it needed to win when Canfield hit a solo homer and Lukow added a circuit blast with a man aboard to make it 3-0.

Grossmont Scores

Grossmont scored again in the third and fourth frames, and collected three runs in the top of the seventh, two of them on Lukow's second homer of the game and third of the tourney.

Mike Geraty handled the pitching for the winners, while Paul Dewey, who was relieved in the third frame, absorbed the loss.

Spring Valley and Skygrove, each with one loss apiece in the tourney, squared off in the fifth game, with Spring Valley eliminating the Lemon Grove group with an 8-2 victory.

S.V. Rips Collins

Spring Valley got runs in the second, third, fourth, fifth, and seventh innings to pin the loss on Faron Collins, who was taken out in the sixth inning.

Skygrove managed runs in the sixth and seventh frames The big bat for Spring Valley was Tom Lubic, who belted a home run and a double and knocked in four runs.

In the championship game, Grossmont took on Spring Valley in a rematch of the earlier 3-2 game.

S.V. Jumps Away

This time, Spring Valley jumped away to a 1-0 lead in the first frame, and Spring Valley pitcher Mike Kennedy pitched shutout ball for three innings.

Then the roof fell in. Grossmont struck for two runs in the fourth inning and two more in the fifth inning before reliever Al Salazar could retire the side, and got two more tallies in the top of the seventh off Rick Boring to claim the Area III crown, 6-1.

In the fourth inning of the game, Steve Lukow hit his fourth home run of the tournament.

More Action Set

Tomorrow night, also at Knapp field, which is located behind San Miguel Elementary School, Grossmont will tangle with Area II Champion Emerald Hills at 5:30 p.m.

The game is the first of a best of three series to determine the champion of the district. The second game will be played Saturday afternoon at 2 p.m. and a third game, if necessary, will take place Sunday at 2 p.m.

TO PLAY TONIGHT — The Spring Valley Little League All Star team, which squares off tonight against a team from the Sweetwater Valley Little League, is expected to start Russ Palser. All Stars are, bottom row left, Terry Napier, Gilbert Puente, Mike Spitz, Jim Musser, Steve Pacheco, John Keith, and Ricky Steward. In the top row, from the left, are Steve Haney, Jeff Viau, Jeff Thorn, Kelly Minard, Palser, Charley Arroyo, Jim Campbell, and Kurt Needham. Not shown is Tony Ulrich. The manager and coach are Mike Haney, back row left, and Dale Spitz.

Spring Valley, Sweetwater Due In Tiff Tonight

Spring Valley Little League is the host team for the Area I all-star tournament, which got underway yesterday with Encanto and Skyline squaring off.

Tonight's game will pit what could be the top two teams in the tournament when Spring Valley takes on Sweetwater Valley at 5:30 p.m.

Spring Valley boasts the big bats and pitching arms of Russ Palser and Gilbert Puente, while Sweetwater will send up such hitters as Chris Dailey and John Masauly.

Palser hit .661 on the year, while knocking seven balls out of the park. Puente hit .555 and has one home run to his credit.

Dailey swings at a .590 clip and belted 14 home runs, while Masaulay hit .563 and hit 11 round trippers.

While the power seems to go toward Sweetwater by statistical information, it is not necessarily so. Sweetwater uses a 180-foot fence, while Spring Valley's park has 200-foot fences.

Other games in the tournament will see Southwest take on the winner of yesterday's game tomorrow evening, and the winner of that contest against the winner of the Sweetwater-Spring Valley game do battle Saturday.

All tournaments in the district are one-game elimination affairs. The winners of local tournaments will meet next Thursday, Friday, and Saturday to determine the district champs.

Del Mar 'New Look' Ready For Unveiling

Delightful Del Mar, more comfortable than ever as the result of a $500,000 program of plant improvements, will unveil its "new look" Wednesday, July 23, when the 1971 summer season of Thoroughbred racing begins at the popular easide course.

Officials of the Del Mar Thoroughbred Club, headed by President Thomas M. Hamilton, are confident that the upcoming meeting will be among the most successful in track history. "Advance ticket sales have been tremendously encouraging," stated Hamilton, "and we're looking forward to a terrific season of top quality racing."

Major changes among several notable improvements involved the installation of 5,500 new all-aluminum theater-type seats in the grandstand, box and loge sections at a cost of more than $200,000. In addition, new seamless floor covering was put in on the main level of the grandstand, floors on the mezzanine level and in the Surf Room Cafeteria and Thoroughbred Room Lounge were carpeted and grandstand interiors redecorated.

As usual at Del Mar, the competition on the race track will be first-class. Among the outstanding horses on the scene will be Forked Lightning Ranch's brilliant Ack Ack, winner of the Santa Anita Handicap last winter and considered by many the finest older runner in America; Elmendorf's Manta, a contender for national distaff honors who first came into prominence at Del Mar in 1969; Mary F. Jones' Cougar II, America's leading money-winner thus far in 1971; Clement L. Mirsch's world record-holder Figonero, W. R. Hawn's Last of the Line, C. E. Nicholas' Might, Earl Scheib's Cautious Bidder, recent victress in the Hollywood Lassie; Frank McMahon's Triple Bend, Gen State Stable's Fast Fellow, Robert K. C. Goh's New Zealand-bred Daryl's Joy and many more.

Superstar Bill Shoemaker, who became the world's winningest jockey in unforgettable fashion at Del Mar last summer, again will head a sparkling assemblage of riding talent. The Shoe, who is enjoying another great year in a great career, will be opposed for the saddle championship by such accomplished professionals as Jerry Lambert, Fernando Toro, Don Pierce, Wayne Harris, Johnny Sellers, Rudy Rosales, Milo Valenzuela, Bill Mahorney, Howard Grant, Danny Velasquez, Rudy Campas, L. J. Durousseau, Fernando Alvarez, H. K. Wellington, Robby Kilborn and others.

Traffic On Toll Bridges Up 3.4%

Second-quarter traffic on California's eight State-owned toll bridges was 3.4 percent higher than during the corresponding period a year ago.

The Division of Bay Toll Crossings announced a total of 31,573,559 vehicle crossings, compared with 30,585,674 in April, May and June of 1970.

LOOP CHAMPS — Spring Valley Woman's Club, after finishing in a tie for first place with O'Dell Realty at the end of regular season play last week, beat O'Dell Monday night in a playoff game to claim the pennant in the Spring Valley Bobby Sox League.

Pirates-Padres Friday Fray Opens Ten Game Home Stand

Home, for the Padres, is getting sweeter.

When the team opens a 10-game home stand Friday against the Pittsburgh Pirates, the Padres will be working to boost a San Diego Stadium record that has shown steady improvement.

In the last two months at home the Padres have lost only one series. That one was to the Dodgers.

And since May 31, the Padres home record has been an impressive 13-11.

The Padres began their streak by taking two out of three from the Phillies over the Memorial Day holiday. The club split a four-game series with the Expos, then beat both the Astros and the Giants two out of three before the losses to the Dodgers.

But the club rebounded to whip the Cards two games to one and then cooled off the torrid Cubs, winning three out of five.

What lies ahead are series with the Pirates, Reds and Braves.

The eastern division-leading Pirates make their final San Diego Stadium appearance with a four-game showdown; night game tomorrow at 7:30 single game Saturday at 1 p.m. and a doubleheader Sunday starting at 1 o'clock.

Then Cincinnati arrives for three night games and the home stand concludes with three games against Atlanta.

Several outstanding promotions are included in the home stand.

Puzzle Day will be Sunday when every youngster 15 and under will receive a free Padre puzzle. The 500-piece puzzle, which was so popular with the fans when distributed earlier this season, reveals a 15½ by 18 inch picture of the entire Padre team as well as a beautiful scene of San Diego Stadium when fully assembled.

And the second Pop Fest of the season will be held Friday July 30. It'll be Teen Night with all teenagers receiving box seats at the special Teen Ticket price of $1.50. The well-known and top-rated seven-man group, "Solid Brass", will entertain before and after the game with Atlanta.

The Pirates arrive with baseball's leading home run hitter, Willie Stargell, as well as a club that many believe is of world championship calibre.

The Padres and Pirates split their previous meetings this season at San Diego Stadium Pittsburgh winning 10-4 but the Padres coming right back to take a 2-1 decision on the strength of a four-hitter by Dave Roberts.

In that game, Roberts permitted three first-inning singles, another single to start the third inning and then retired 21 of the next 22 Pittsburgh batters.

Tickets for the games with the Pirates, as well as for all games on the home stand, are available now at the Padre ticket offices at the Stadium. Padre tickets also are sold at Ticketron outlets located throughout San Diego County.

All Star Team Starts Quest For Tourney Title

Lemon Grove begins its quest for Little League post-season playoff honors when it meets San Diego American in a first round game of Area IV, District 42 competition this afternoon.

The contest will be played at Al Burke Field, 7550 Canton dr., adjacent to Monterey Heights Elementary School, at 5:30 p.m. Lemon Grove is host for the three day tourney.

A second game is to be held tomorrow afternoon, also at 5:30, between Luckie Waller and Southeastern. Winners of the two contests will clash for the Area crown Saturday afternoon at 1 p.m.

Lemon Grove captured the Area title last year but was eliminated by Southeastern in the District championships.

A 14-man squad will represent the locals and is managed by Wally Keogh assisted by Steve Schroeder. The team has been practicing for three weeks.

Members include John Barrow, Chris Flores, Mark Foster, Bruce Franks, Rex Jenner, Craig Leonetti, Tom Parker, Bobby Schneider, Jim Schroeder, Mike Sperla, David Terrell, Robert Tiumalu, Mark Williamson and John Young. Alternates are Tom Bolen, Mark Jacobsmeier and Mike Neagle.

Other area playoffs this week include those at Spring Valley (I), Imperia Beach (II) and South Bay (III). Winners of these playoffs plus the Lemon Grove tourney victor will vie for the District 42 championship next week at Southeastern.

SVWC Wins Flag After Playoff Tiff

Spring Valley Woman's Club won its last game of the season and its only game scheduled last week, but still had to settle for a first place tie with O'Dell Realty as the Spring Valley Bobby Sox season ended. O'Dell won a pair, 12-3 over Johnson Excavating, and 11-9 over Foster Freeze/Thomas Disposal.

SVWC plastered third place Optimist club, 13-1 as Debbie Whitley handled the pitching chores, with relief help from Sheri Clarke in the sixth.

With the tie for first after regulation play, SVWC took on O'Dell in a single-playoff game Monday night, with SVWC coming out on top, 12-6.

The teams were tied until the fifth inning when SVWC tagged Lori Chisnel for five runs to put the game out of reach. Debbie Whitley was once again on the mound for the league champs, tossing the entire game.

In other action, Norm's Gulf lost three games, 14-13 to Ham's Painting/Easter Plumbing, and 19-16 to Foster Freeze/Thomas Disposal, and 14-9 to Galbreath Realty.

Johnson Excavating beat Ham's/Easter 9-4, and Optimist Club beat the same team, 13-11.

Association Sets Meet

The Past Matrons and Patrons Association, Order of the Eastern Star of San Diego County, will meet July 24 at the East San Diego Masonic Temple, 3879 3rd st., with Mr. and Mrs. Joel Poukkula as general chairman. A pot-luck dinner will be served at 6:30 p.m.

Mrs. Frances Peterson, president, and William Adams, advisor, will preside at the meeting to follow. The program for the evening will be given by Miss Linda Ashton.

'Octopus Hunt' Is Museum Film

Films are shown in the Natural History Museum Auditorium every Saturday and Sunday afternoon. Saturday's film is at 3 p.m. and Sunday's showings are at 1:30 and 3 p.m. Members are admitted free as are guests already in the museum.

The film for this weekend is "Octopus Hunt." This color film does a great deal to dispel much of the misinformation people have about the octopus. Underwater action is described by the divers themselves as they go under the surface to collect octopus and wolf eel specimens.

The second film's location is far from the sea. It is "Birds of the Prairie Marshes" a study of the great variety of waterfowl who come to the Delta Waterfowl Research Station in Manitoba. Many birds may be seen including several species of wild ducks and geese.

Back Country Barbecue Planned

Lake Moreno/Campo Chamber of Commerce is sponsoring the back country's annual pit barbecue August 1 at Campo Lake.

Proceeds from the project will be used to support the annual Christmas Party and Easter Egg Hunt for children of the Mountain Empire area. If funds permit, a scholarship is also awarded.

Food service will be from 11:30 a.m. to 5:30 p.m.

TO APPEAR HERE — Rose Marie, who has played major roles in television's Dick Van Dyke Show and Doris Day Show, will appear in San Diego at the Off Broadway Theatre when she stars in "Everybody's Girl," which opens August 5. In the production, a new play written by Patrick Dennis, Miss Marie plays the mother of five sons who are all serving in the military.

TV's Rose Marie Due In Off Broadway Play

Television star Rose Marie will star at Vincent Miranda's Off Broadway Theatre in a new play by Patrick Dennis called "Everybody's Girl," which opens August 5 with preview showings on August 3 & 4. The current production at the new playhouse, "You're A Good Man Charlie Brown," will now close on August 1.

In "Everybody's Girl," Rose Marie will play the mother of five sons, all of whom are in the service. They are such an admirable family, that she is voted Mother of the Year, That's when a nosy newspaper reporter unearths the fact that the mother of five had never been married! In true Patrick Dennis fashion, the comedy takes off from there building laughter all the way to its hilarious and surprise-twist final act.

Appearing with Rose Marie in "Everybody's Girl" will be lovely Kathy Garver, who regularly stars in television's "Family Affair," and Paul Smith who was a regular with Rose Marie on the Doris Day television show. Vincent Miranda will produce the play which will be directed by James Burrows.

"You're A Good Man Charlie Brown" is the musical based on Charles Schulz' famed "Peanuts" comic strip. Acclaimed unanimously by the critics, it brings to life the endearing comic strip characters of Charlie Brown, Snoopy, Lucy, Linus, Schroeder and Peppermint Patty, played respectively by Jim Ricketts, Robert Towers, Ruby Dake, David Holmes, Hal-James Paderson and Noelle Matlovsky.

Tickets for both productions are available at the Off Broadway Theatre box-office by mail order, telephone reservation and at ticket agencies throughout the city. The Theatre is located at 314 F street, telephone 235-6535.

Poetry Contest Deadline Nears

California poets are invited to enter the Ina Coolbrith Circle annual poetry contest with prizes from $50 to $10, for original, unpublished, serious or humorous poetry. Two poems, any form, any subject, may be entered, one in each category or both in the same. Author retains all rights. An entry fee of $1 per entrant, not per poem, is required for non-members. The deadline is September 1, postmark.

Obtain complete Rules from Joyce Odam, Contest chairman, 2174 34th st., Sacramento 95817, by sending a stamped, self-addressed envelope with request.

Prizes will be awarded and winning poems read at the Ina Coolbrith Circle National Poetry Day Banquet to be held on October 16, at the Berkeley City Club, 2315 Durante ave., Berkeley, at which a distinguished literary personality will be the speaker.

'Arsenic and Old Lace' Is La Mesa Players Play

"Arsenic and Old Lace," a three-act comedy written by Joseph Kesselring, will be the next production of the La Mesa Playhouse, 8053 University ave., La Mesa.

The production will open August 27 for a three weekend run, including a matinee August 29. Rehearsals started last week.

Members of the cast include Margery Null and Jean MacKensey, who portray the Brewster sisters, Abbey and Martha. The pair are elderly ladies who quietly poison a dozen elderly gentlemen and bury them in their basement. The ladies, who live in a house with a nephew who thinks he is Teddy Rooseveldt, believe they are doing their victims favors, as they look so peaceful when they pass on.

"Teddy", who thinks he is digging the Panama Canal while digging graves, will be played by Don Crouch.

Playing Mortimer Brewster, another nephew who discovers his aunts' "sinister" deeds will be Vic Nelson. His fiance, Elaine Harper, will be played by Karen Pannell.

Walt Starr will handle the role of Jonathan Brewster, Mortimer's psychopathic brother, who reaks terror through the household. His accomplice, Dr. Einstein, will be played by Bob Campbell.

Other members of the cast are Vic Pfifer, Don Bland, and Horace Maniscalco.

Admission is $2 for adults, $1.50 for students through college and senior citizens, and $1 for youngsters under 12. Curtain time will be 8:30 p.m. for each performance.

Paintings Due Saturday For S.D. Exhibition

A selection of 60 works from the collection of Dr. and Mrs. Armand Hammer, Los Angeles, will be on view at the Fine Arts Gallery of San Diego, Balboa Park, July 24 through September 5.

The exhibition is comprised of European and American paintings and drawings. The majority date from the last half of the 19th and the early 20th centuries.

Many masterworks in oil by major artists are included such as Cassatt, Cezanne, Gauguin, Matisse, Monet, Pissaro, Renoir, and Van Gogh, to mention only a few. Examples from the American scene range from the realism and candor of Thomas Eakins to the stylish and fashionable expressions of John Singer Sargent, and then to the illustrations of N. C. Wyeth and a beautiful early watercolor by Andrew Wyeth.

Dr. Hammer is considered one of a handful of major United States executives in industry and finance who has devoted a great deal of time, energy, and money to the growth of visual arts.

USIU Lands Top Prep Star

Robert Kunysz, 6-8, one of the outstanding basketball prospects to come out of Southern California scholastic ranks this year, has enrolled as a freshman at United States International University, according to Coach Bob Kloppenburg.

Kunysz, rated among the top 500 preps in the United States, played center for Chaffey High School in Ontario where he was voted Most Valuable Player and All-League two times, and also led his team in scoring with 502 points and in rebounds with 331.

He holds his school's records for most points in one season (502), most points in one game (45), career rebounds (677), and single game rebounds (29).

Museum Opens Fire Exhibit

The exhibit that depicted "Fire In The County," the story of last year's disastrous forest fire that destroyed so much wildlife refuge, trees, many homes, and some human lives, is again on view at the San Diego Natural History Museum — this time before any major forest fires break out.

The hope of the museum is that people will see the damage and pain even a small fire can inflict and will be more careful with matches, smokes, and campfires when they are in the woods.

The exhibit was compiled by Dr. William A. Burns, museum director, from the photographic files of the San Diego Union and Evening Tribune, whose cameramen covered the blaze from beginning to extinction. Many devices for fighting forest fires were obtained from the California Forestry Service in El Cajon.

One of the unusual features of the display is that all the labels are in poetry written by Burns.

"Fire in the County" will remain on exhibit until after this year's fire season has passed, as late as October.

Hitt Holds On For Win At Track

A fierce battle is evident at Cajon Speedway as Gentleman Jim Hitt, of Lemon Grove, nosed out Tex Kimbrell, of Chula Vista in the 30-lap super stock main event Saturday night, reversing the battle of two weeks ago.

Two weeks ago, it was Kimbrell taking the lead about halfway through the race and holding off Hitt, claiming victory by inches.

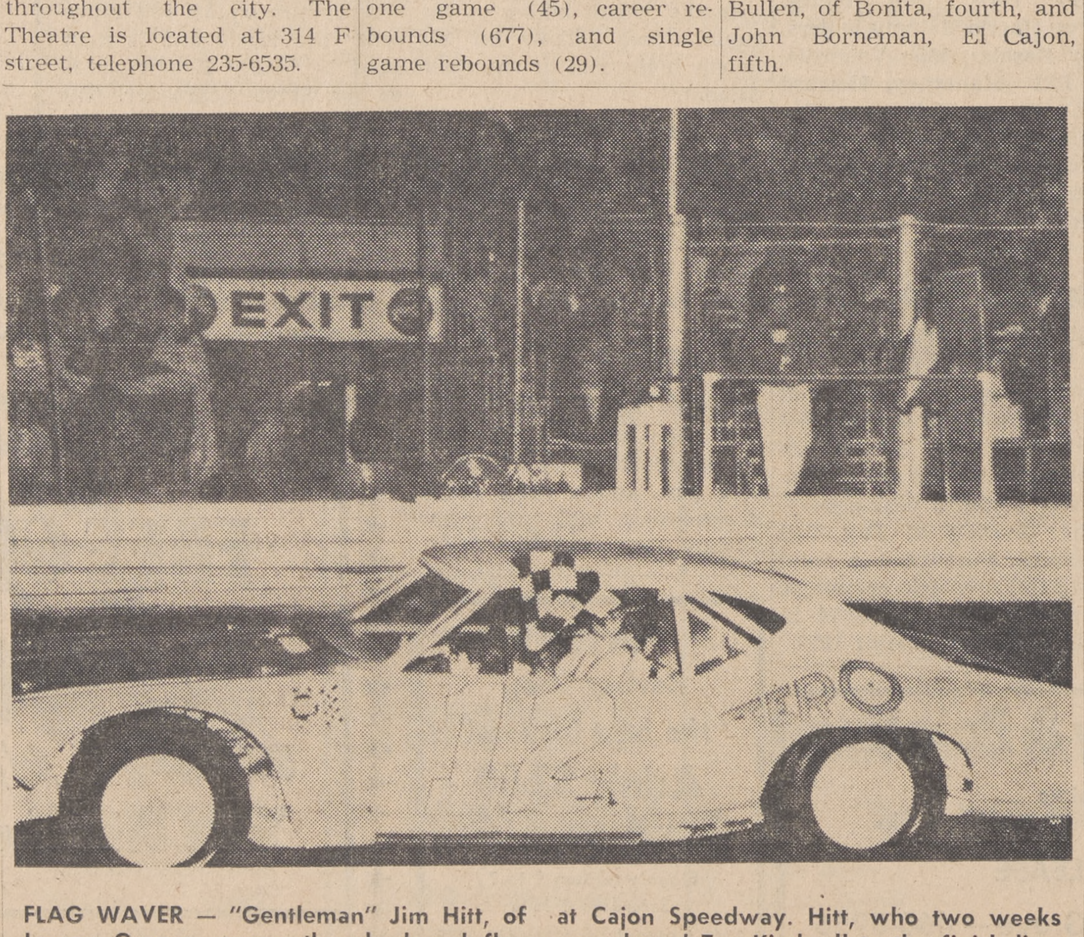
This week, Hitt, starting in the sixth spot, grabbed the lead on the ninth lap, taking over for Pat McIntyre, of Spring Valley, who led for two laps.

Richard White, of Escondido, made a bid for the lead on the twelfth round, but Hitt held him off. White developed engine trouble on the 22nd trip around the track and was forced to call it a night.

As White dropped out, Kimbrell came on strong to chase Hitt to the checkered flag, but Hitt hung on for the win and a new track record of 9:38.86 for the 30 laps.

Kimbrell also took home a record from his night's racing, setting the new standard of 18.51 seconds in the qualifying runs for one lap. Tex was also a winner in the three-lap trophy dash.

Rounding out the main event finishers for Saturday were McIntyre, third, Russ Bullen, of Bonita, fourth, and John Borneman, El Cajon, fifth.



FLAG WAVER — "Gentleman" Jim Hitt, of Lemon Groves, waves the checkered flag after he claimed his sixth super stock main event win of the season last Saturday night at Cajon Speedway. Hitt, who two weeks ago chased Tex Kimbrell to the finish line, once again had to battle the South Bay driver to earn the flag.

Vets Grab League Crown

The VFW Vets swept a playoff series from the Rainiers to capture championship honors in Lemon Grove Little League Minor division activity last week.

A two out of three playoff was necessitated when the Rainners took first half laurels with a 7-3 won-lost mark and the Vets topped the second half with an 8-1 record.

Displaying fine pitching, good defense and potent bat work, the Vets ended it in two game with 6-0 and 17-1 victories.

The Intermediate division winner will be decided this week in a two of three series between Glencoe Foods and Weedman's Carpets.

Weedman's and Carlton Cabinets tied for first half honors with identical 8-2 readings but Weedman's won a single game elimination 3-0. Glencoe knotted with Carlton Cabinets for the second half title at 7-3 records but also won an elimination contest 8-6.

Right Winger Quits Gulls

Popular right winger Edgar Ehrenverth, one of the original San Diego Gulls, today announced his retirement from hockey.

Ehrenverth, 31, has taken a position as display manager for Accent Studios. He is directing the construction of industrial displays built by the

Ehrenverth was noted as one of the best defensive forwards and penalty killers in the Western Hockey League, and the Gulls' record over the past five years bears this out.

San Diego has led the WHL in fewest power play goals allowed each of the last three seasons, and finished second in this department by one goal four seasons ago.

Ehrenverth's retirement leaves Al Nicholson and John MacMillan as the two remaining Gulls who started training camp with the team in September, 1966. Len Ronson joined the team after the season had started.

6,000 Books To Be Given Away July 30

More than 6,000 used school textbooks will be given away free July 30, by the Grossmont Union High School District.

The books will be available beginning at 7 a.m. in Room 33, a small frame building behind the district's administrative offices, on the east end of Grossmont High School campus.

The book giveaway is a popular program which has attracted hundreds of East County residents every year, many of whom wait in line for an hour for the time to begin.

Books range in subject matter from foreign languages to science texts.

"All of the books are used. They are unsuitable for classroom use because of outdated subject material, or are just plain worn out," said John Barrons, Assistant Superintendent of Educational Operations.

"In some courses, in the mathematics area particularly we are using new teaching methods and of course books in history, geography, and social studies must be constantly updated to reflect changing physical boundaries and current events.

"The books have served their purpose for our district and have been offered to all the high schools in our district and other school districts who may need them.

"Many of the books are still good for community use, for individual tutoring or 'brushing up' on some subject. The only requirement of the district is that people take only texts for their personal use," said Barrons.

Texts are available in a variety of subject areas including economics, biology, chemistry, driver education, foreign languages, including Spanish with some records and tapes, home economics, English, literature, public speaking, history, and mathematics.

SOMETHING IN COMMON — Cletus "Biff" Gardner, left, Director of Parks and Recreation, and Charles J. Sexton, Registrar of Voters, congratulate each other for 25-years' service with the County of San Diego. Both County employees received service awards at Board of Supervisors meeting.

Results Given From Exposition Judging

More results from judging at the recent Southern California Exposition at the Del Mar Fairgrounds were announced last week.

Earl Clark, of 8682 Lamar st., Spring Valley, collected a handful of ribbons in pigeon competition, including ten first place awards. His total ribbon take was 24, and his wife, Jill, also added five ribbons to the family, including two first places.

Others who received ribbons in competition announced this week include Barbara Smith, of Spring Valley, three ribbons; Joseph Colesanti, Spring Valley, six ribbons; Edward Bowman, Spring Valley, two ribbons; Claire Nafziger, Jamul, one ribbon; David Nafziger, Jamul, one ribbon; and Emil A. Keller, Lemon Grove, one ribbon.

Also, Cleoves Hardin, of Spring Valley, won three ribbons; Ralph Ek, Spring Valley, two ribbons; Jimmy Nicolau, Jamul, one ribbon; Joan Kellhofer, Spring Valley, two ribbons; Theresa Nierodzinski, Jamul, one ribbon; Linda C. Rudd, Spring Valley, one ribbon; Lu Ann Gores, Spring Valley, three ribbons; and Diane Rudd, Spring Valley, two ribbons.

Others taking home ribbons were Linda Olsen, of Spring Valley, who claimed six ribbons, including two blue ribbons and two champions in sheep judging; Sandy Troesch, Jamul, two ribbons; John Hatherill, Jamul, one ribbon; Gay Nierodzinski, Jamul, one ribbon; Mark Slagle, Jamul, two ribbons; Alan Freeman, Jamul, one ribbon, and John Ackerson, Jamul, two ribbons.

Others were Lenita Wilson, Spring Valley, one ribbon; Timothy Bingham, Jamul, one ribbon; Jerry Smith, Jamul, one ribbon; Debra and Diane Allen, both Spring Valley, one ribbon each; Donna and Sammy Snodgrass, both Jamul, one ribbon each; and Carl and Scott Anro, both Spring Valley, who won one and four ribbons respectively.

Rounding out local individuals who were named winners last week are Rebecca Nierodzinski, Jamul, one ribbon; Kathy Murray, Spring Valley, three ribbons; Den[illegible] Rudd, Spring Valley, one ribbon; Julia Ek, Spring Valley, three ribbons; Susan Rud[illegible], Spring Valley, one ribbon, and Marty Nicolau, Jamul, one ribbon.

Post Session Still Open

High school students wishing to attend one of the three and one-half week postsessions to be offered at El Cajon Valley and Mount Miguel high schools, may still apply through their school counselors.

Notices of acceptance will be mailed Tuesday, Aug. 3, for the sessions which begin Aug. 9 and continue through Aug. 31.

Some of the courses scheduled to meet graduation requirements include Driver Education, History, Geography, Civics, Art Workshop, and Industrial Education. The postsessions are the result of recommendations by local citizens' committees that the Grossmont Union High School District fully utilize plant facilities.

Gonorrhea Called State's Major Health Menace

Gonorrhea is "the state's major public health menace," according to the California Medical Association.

CMA observed that reported cases of this venereal infection rose from about 15,000 in 1959 to 82,000 in 1969 and to more than 103,000 last year — or about one of every 200 Californians. "In actual fact," says CMA, "the ratio is probably even higher than that, since it is believed that less than one in 10 cases is reported."

Gonorrhea is by far the most frequently reported communicable disease in the state, according to a current "Health Tip" from the 25,000-member state medical association. CMA publishes Health Tips each month, distributing thousands of copies to schools, county health departments, other health organizations and news media throughout the state.

Detection of gonorrhea, which is transmitted almost exclusively through sexual contact, is easy in males, but difficult in females. In the male there may be a discharge and discomfort during urination. In the female, the initial inflammation may be mild and brief, and she may not have a discharge. Often the infection spreads to her entire reproductive system before she becomes aware she has the disease, and while the disease spreads, she may unknowingly infect her sexual partners.

Treatment is by penicillin or other appropriate antibiotic, either by injection or by mouth. Some gonorrhea strains are more resistant than others, and only a physician can determine the proper strength of dosage and duration of treatment for the individual patient.

Gonorrhea, warns CMA, strikes persons of all ages, classes, races. More than half the reported cases involve people under age 25, and several hundred are among children 10 to 14. Health authorities estimate conservatively that one in 10 Californians between 15 and 25 will contract gonorrhea this year.

Raoul Lowery In Race For City Council

Raoul Lowery, 30, a former Lemon Grove resident, announced this week that he is seeking the post of San Diego City Councilman for the 8th District.

The district is mainly downtown although it shoots out to include Lomita Village, Encanto, and touches La Mesa, Lemon Grove and Spring Valley.

The Lowery family lived for 13 years at 1565 Skyline dr., in Lemon Grove until recently. His brothers Jerry, 20; Rex, 19, and Guy, 17, attended Lemon Grove schools. He now lives in San Diego.

In seeking the post, which has no incumbent, Lowery said crime rate and school tax reductions would be among his objectives.

Raoul Lowery

He proposed better educa[illegible] for police personnel by [illegible]ring a 7½ per cent bonus [illegible] years of college and [illegible]er 7½ per cent for the [illegible]. None of the courses [illegible] in police science, he said.

The school tax problem could be eased by off track betting similar to New York's and legalized bingo.

He said his campaign would cost about $10,000 and be made up of $25-$100 contributions. His campaign is being conducted by "three co-chairmen". They are Manuel Camacho who is with Human Resources Development; Mrs. Marie Klingenmier, a church leader, and Edward Fletcher, an administrator with City Schools.

Lowery, former special events director for Caliente race track is not employed at present.

He worked on campaigns of Tom Kuchel, Richard Donovan, Tom Hom, Elmer Jansen, Richard Wilson and others.

Campout Planned

A weekend campout and family picnic will be held this weekend by Lemon Grove Boy Scout Troop 376.

Sponsored by St. Philip's Episcopal Church, 2660 Hardy dr., the Troop will spend Friday, Saturday and Sunday at Vacation Island in Mission Bay.

Families of the Scouts are invited to visit the campout site Sunday afternoon at 2:30 for a picnic with all food prepared by Troop members.

New Hearing Planned On Flood Control

SAN DIEGO (CNA) — County supervisors on Tuesday authorized a hearing on a proposed $6.5 million flood control project for the Spring Valley Creek.

The hearing will be called by the flood commissioners of Zone 3 of the county's flood district zones.

The local plan has been a number of years in the making and there will be no construction for at least five years and probably more.

Residents of Brookside were present to argue that the county has not supported them.

Eugene Spofera cited a portion of the report which says that Corps of Engineer funds, "was not found available for the Brookside Branch improvement."

Rock Liquor Is Held Up

Rock Liquor Store, 7161 Broadway in Lemon Grove, was the victim of an armed robbery early Saturday morning.

A male Negro, estimated to be about 22 years old, approached the clerk in the store at 1:17 a.m. with a .32 caliber revolver and demanded money.

The robber fled the scene on foot, traveling south on Massachusetts ave., with about $1,000 in cash.

The suspect was reportedly dressed in purple bell bottom type trousers, a blue coat, and was wearing a large-brimmed brown hat, Sheriff's deputies said.

Sups Approve Park Lease

(Continued from P. 1)

district's tax revenues will increase, creating more money for the park.

If the district is well enough off financially, the park could be enlarged by entering into a new lease agreement or purchasing other acreage at the site.

Plans started this week for engineering the park, but supervisors have not indicated when construction may start.

TEEN REGISTRATION — San Diego County Registrar of Voters Charles J. Sexton and his secretary, Mrs. Donald Scofield, help two new teen-age voters register. Both girls, Diane Byrne, left, and Joanne Distabile, work for San Diego County and both recently turned 18. They are enthusiastic about their opportunity to vote.

"I think it's great," said Diane. "You're civic-minded and really interested in government when you're just out of school."

Joanne agreed, saying, "I never used to read the paper. Now I feel involved — I want to know what's going on, locally and nationally."

75,000 County Teens Eligible To Cast Votes In Local Elections

Who will be San Diego County's first teen-age voter?

The first opportunity for the newly enfranchised 18-20-year-olds to cast a vote in San Diego County would be the July 27 Spencer Valley School District election; but Registrar of Voters Charles Sexton reports no teen-age registration in that district yet.

The next chance will be a flood control district election in the South Bay area on August 10. More than a hundred teens are registered and eligible to vote.

The election laws require 90 days residency in the state and the county and 54 days at the residence address by the day of the election. Also the voter must have been a U.S. citizen for 90 days.

"The 1970 census listed 111,000 between the ages of 18 and 20 in San Diego County," stated Sexton. "For voting registration purposes, we count out the military. This leaves about 75,000 young people eligible to register."

Students attending school in San Diego County still must register where their parents live. Sexton explained the legal reasons for this.

"Although the voting age is now 18, those under 21 are still legally minors. This means, under the government code, their permanent home address is their parents'. Our statewide County Clerks Association is supporting a bill in the state legislature to allow 18-year-olds to establish their own residence for voting purposes, but these changes take time," he said.

The teen-age registrations are kept in special files, since legal maturity is still required for some activities such as jury duty.

Sexton's office and his 750 deputies throughout the County have been registering the new young voters since last December when the Supreme Court ruled on the Voting Rights Act of 1970, making it legal for the young people to vote in national elections. Deputies have carried out an active campaign, visiting most high school, night school, junior college and college campuses, talking to special assemblies and classes, setting up booths for registration.

"Even so, we have only 7,327, or ten percent, of the registered voters from this age group. Another 928 have reregistered because they have changed to another party or have turned 21 since registering," Sexton said.

"When you consider that taxpayers in San Diego County pay out over $1.4 million a year to ensure that everyone will have the opportunity to vote, we hope many more young people will take advantage of this newly-won privilege. I would like to point out that any 17-year-old who will be 18 before an election date can registered while he's still 17."

Cranston Urges Action to Halt Noise Pollution

Senator Alan Cranston urged prompt action by Congress to halt the rising level of urban noice which, if uncorrected, could drive "everyone living in a city stone deaf by the year 2000".

Testifying before a Senate subcommittee on behalf of his bill to cut jet aircraft noise in half, Cranston declared that "Congress has paid great attention to the problems of air and water pollution but has given insufficient attention to the problems of noise pollution".

"Noise pollution," Cranston asserted," increases tension, causes breakdowns in the heart and glandular systems and impairs our over-all physiological and psychological health".

He cited a recent study which disclosed that the neighborhoods around busy Heathro Airport outside London produce 25 percent more mental patients than the average communities.

He said the International Standardization Organization of acoustical experts warns that "if airplane and vehicular noises continue to climb at their present rates, everyone living in a city will be stone deaf by the year 2000". They reported that urban noise has been rising at a rate of one decibel a year.

Cranston appeared before the Commerce Subcommittee on Aviation which opened hearings on the Senator's bill (S. 1566) to require that engines on some 1,700 jet airliners now in operation be soundproofed before 1976.

GOPs Abstain In Assembly School Vote

A bill adding $250 million in new state support for schools this week passed the Assembly by a vote of 41 to 0.

All members present but not voting were Republicans.

Assembly Republican Caucus Chairman John Stull said caucus support for the measure was withheld because "the new appropriation adds a quarter of a billion dollars in red ink to a budget already out of balance by $465 million.

"Many Republicans favor new funds for schools," Stull added, "but until the majority party makes a genuine effort to move welfare, Medi-Cal, and tax reform, we cannot support any new spending programs.

An average of 560 people live in each square mile of the United Kingdom.

Bell Ringers To March Sat. and Sun.

200 Lemon Grovans and 150 residents of Spring Valley will be among more than 1200 East County volunteer marchers in the annual Bell Ringer march for mental health Saturday and Sunday.

Co-chairman of the 1971 campaign are Mr. and Mrs. Bob Crosby who cited a goal of $45,000 to support programs of the Mental Health Association at 3935 First ave. in San Diego.

The programs include a social rehabilitation facility for former mental patients, a weekly bus to Patton State Hospital, legislative involvement, and education and research.

Individuals and groups wanting to volunteer can contact the MHA administrative offices, 3935 First ave. (phone 297-2861) or campaign headquarters, 3535 Fourth ave. (phone 297-1633).

Bob Crosby, who is serving as chairman for the second consecutive year, stated:

"Some people do not realize that Mental Health is one of eight health agencies, including Cancer and Heart Associations, who hold independent drives because they are not part of the United Community Services."

Young Giraffe On Display At S.D. Zoo

A youngster only four weeks old and already six feet tall was placed on public exhibit at the San Diego Zoo last week.

The new arrival is a female reticulated giraffe named "Molly." Born June 24, she measured five feet, eight inches at birth and weighed 150 pounds.

Keeper Walt Bromley, whose duties include the giraffe compound, reports that in the past month Molly has grown four inches and gained 15 pounds. Until last week, Molly was housed with her mother Dolly in a "maternity ward" behind the giraffe exhibit area.

The young giraffe will continue to grow rapidly in weight and height until maturity at four years of age, when she may be more than 14 feet tall and weigh 1200 pounds.
